*“ I will never forget Jane,her loving way and eager to please everyone in her path. She was always there for all. Always brought more than expected to family pot lucks for all to enjoy,even as she herself,unknown to all, at a time when she was the one who needed our prayers and support. Jane will be surely missed. Her laughter, quiet ways,and love of her family and friends.  
Thank you all for your wonderful comments.

*“ I'm very shocked and saddened to hear of Jane's passing. We were good friends thru high school and beyond. She introduced me to the man I married and was in my wedding. As the years passed we lost touch but we would run into each other once in awhile and told each other we would get together soon. Unfortunately that never happened. Jane was a good hearted person and was always smiling and had a good word to say. My deepest sympathy to her family and friends. Take comfort in knowing she is in a better place.*

*“ I was shocked and saddend to read of Jane's passing. For several years, Jane would come into Shoe Carnival to make purchases for Bunge employee's and I was fortunate to become aquainted with her through these transactions. She was always a pleasure to deal with, always had a smile for us. She was a lovely person! My deepest sympathies to her family and friends. You're all in my prayers.... Amy Fritz*
