“ Papa,

I love you and miss you and wish I could be there today. i½Grandma will forever be in my heart.

I remember as a little girl grandma would give me a cleaning towel and I was her little helper, dusting under her table and chairs. i½I was so glad to have spent time with her on my surprise visit to Chicago and then on our trip to New York. i½I am so glad to have had these memories with her.

Although I can't be with you physically, please know that my heart is with you always and that grandma will always be a very important part of my life.

Thank you for telling her that I loved her before she passed.

I Love You!!

Love,

“ My Dear Mom,

 You are the most beautiful person I have ever known. You were always there for me. Weather I called just to here your voice, to tell you I love you or for a recipe, or to tell you what great thing Danny & Luke did! Well Mom I need one more recipe -- How did you make that big pot of love? You always had plenty for anyone who needed some. You never grew tired when you had to make more. You make me want to be a better person. I am so blessed and proud to have been named after you. MOM, I LOVE YOU SO MUCH and I miss you always. Hold OUR baby tight. I know I'LL see you both again someday. I LOVE YOU xox###imported-begin###BABY###imported-end##
