“ Mom,
You have always been there for all of us, no matter what. You always had the best for us and the love and the closeness how a family should be. Being without you, has been the hardest for all of us. I just want to share this with family and friends. God has you now. Your always with Us in our hearts, still guiding Us through each year. You are so deeply missed. God Bless .
Someday we all will be together. Love You.
