“ *To the Family of Janet M. DeGroodt: My deepest sympathy on the passing of Janet. I was deeply saddened to hear about the passing of Janet. I enjoyed my one on one conversations with Janet each and everytime we talked. What a beautiful woman with such a spirit that uplifted me whenever we would be in conversation. Janet would attend my services and many times I would talk with Janet, privately, where she would share stories about her family and her dear husband and sister-in-law who passed away. Janet loved her family very much. Janet would talk about her cat and her daughter's cats and dog. The stories were so well told, by Janet, with such detail. I admired Janet's positive attitude about "life in general." I will miss, greatly, the precious time where I just sat and listened to Janet as she would tell of her love for family and animals. Janet and I also prayed, together. Janet enriched my ministry, greatly, by her honesty, candidness, and just by being herself. May the Good Lord bless Janet's family and friends, and of course, that includes the furry ones, too, with comfort, healing and strength...*

*Sincerely, Chaplain Carole R. DiZeo  
Director of Pastoral Care of Heritage Village in Kankakee*
