“ Always loved to talk with Janet--was I always wrong with the spelling -- I was told Janette. ĩ¿½She always was so well informed on the Bible and seemed to really delve deeply into her Bible studies. ĩ¿½We had many good years at Trinity and I miss seeing everyone there -- however we must bend with the changes or we will break -- something I can just hear Janette saying. ĩ¿½You have our sympathy.##imported-begin##Denny and Sandy Jepson##imported-end##
