“ Three years have passed since Janet left this earth and I still think of her every Sunday and recall how much we enjoyed our phone conversations. Miss you and love you Janet!

“ Back in the day, Aunt Janet expressed her admiration for a small red convertible sports car I owned in college. Once when seeing them in the grocery store, I convinced her that she could drive it with one lesson, not having driven a manual transmission before. Sure enough, on a subsequent Saturday afternoon and much to her amazement, she accomplished it with flying colors. She was a true sport that day.

“ Dad (Richard Schnell) would just light up when Aunt Janet would come visit him when he was bed bound in his later years. It made him so happy!

“ I will always remember Janet for her kindness. She was always a joy to talk with when she would come to the flower shop. She will be missed. My sincere thoughts are with you.
