“ Jan— you are a dear friend who will be missed by those who treasured you. My children and my entire family remember the happy times we shared together. You were a gourmet cook, a fastidious housekeeper, and the most generous person who always thought of others. Yesterday was Bobs birthday. I am sure he is greeting you with open arms in the hereafter. Treat him kindly. We have been friends since childhood, and your house on 48th stree t was always a haven. Thank you for the times we shared. Rest in peace, my dear. ❤️ Ceil
