“ Aunt Janice had a heart of gold!!!!I'll never forget her and Uncle Doug driving all the way to Arkansas when Grant,Jarrold,Madison and I had car trouble and no cell phone reception!!They really didn't know what was going on but knew they had to help.They drove 9 hours to save us, only to get there and find out we had been saved by my parents.They were happy we were safe and didn't mind one bit for the long drive!!!That exactly the the kind of people her and Uncle Doug were.They'd do anything for anyone!!!And not to mention, when I met Grants family, I realized how much AJ loved to play poker and my new found love of the game!!Thank you Aunt Janice for all the love and happiness you brought to so many(especially Grant)!!!You will be greatly missed.

“ I could go on for days and days with so many amazing memories of my time with Aunt Janice but I will just post one of my absolute Favorites!!

It is because of Aunt Janice that I am the Sox fan that I am today! Aunt Janice used to take us kids to Comisky Park with our Free Tickets we got from school for "Perfect Attendance or Straight A's" and upgrade them to Golden Box seats! It is because of this and of course Uncle Dougie being a huge fan too, that eventually lead to me to meeting a very special man and having the beautiful daughter that I do today! I will FOREVER be grateful!

P.S. "We're going to Shafer Lake! We're going to Shafer Lake!" LOL

“ *Janice was such a loving neighbor and friend! Always had a smile on her face! Such a sweet person. Janice made each one of our daughters one of her beautiful blankets that I am finding out she was famous for making. They will be treasured. Janice you will be greatly missed by many - but you are at piece. Until we meet again dear neighbor!*
