“ *We are so sorry for your loss. We loved your mother. She was very special to us through all the years. We didn't see her much the last 20 or so years, but when we would run into her, it was like we hadn't been apart all those years. She was a wonderful, caring woman. She will be missed.*

“ *Sorry for your loss you're in my thoughts and prayers.I remember all the times she would tease me about being her Mom's favorite neighbor,and the many lessons of making bread.She would always make sure we didnt hurt yourselves when picking cherries from the trees of her parents property ,and always seemed to get in an argument with my Dad,I think they were just too much alike,and didnt want to admit it,LOL!
