“ Jan, you were the most loving and special mother-in-law anyone could ask for. You were always there with your kind words, gentle heart, and your willingness to listen. Your little tricks or jokes were sure to make everyone giggle. Although game nights were always the best, there have been many memories made at your home. I know there's a part of you that wants to be here still and there is a part of you that always will! I love you and miss you more and more everyday!###imported-begin##Amanda Voss###imported-end##
