“ Justin, I'm writing to you because you are the one I know but the message is also for your brothers. ĩ½Your father, Joel, and your Uncle Jan were both special men. ĩ½There were a lot of things they loved in life but you and your brothers were their #1 love. ĩ½You and Joey had a special friendship also, and Joey came to share that friendship with your dad and then with Jan, especially when he was still attending KCC. ĩ½If Joel and Jan really liked you--you were family. ĩ½And there was an extended family of your friends. ĩ½If you're ever in Watseka and need some place to hang out or want to talk to an old fat woman I'm here for you. ĩ½Call and I'll tell you how to find me. ĩ½I think Joey would love for you to come to Charleston or at least call. ĩ½His email is josephdking79@hotmail.com. ĩ½Cell phone is 471-5146. ĩ½###imported-begin###Tondra and Joey King###imported-end###

“ AN OFT TOLD STORY [true] - One sunny afternoon summer day at 450 Kennedy Drive ... [parking-lot] ... Jan wanted me to give him a ride on my BMW Motorcycle. After 'boarding' I gently slipped the clutch and turned the throttle handle - WHOA NELLIE, the front wheel reared up and we popped a wheelie! Jan said, "I think I've had enough." I know that it was A FIRST for both of us, the kind of surprise and an experience you never forget. Memories are many. Life is a 'TRIP' and Jan always enjoyed THE RIDE. “ I have lost a good friend as have so many others who have counted on Jan throughout the years to "take care of them". Working with him was a fun, learning experience. Our loss is heaven's gain.##imported-begin##Geri Bruckman Johnson##imported-end##

“

Jan

Was very kind to me. I used to be my mother to JOJO'S for physical therapy three times a week. He always held the door for us she was on a walker. He greeted us with a smile every day. She now does walk by herself.

“ Jason, Justin and James,

Anne called and told me about
Jan. I am sorry you no longer have that special Uncle Jan to talk to,
argue with, or just love. His memory will remain with you always. I
plan to be there for the funeral if I can leave work early enough
Friday to get part way there. If I don't make it, know that my
thoughts and prayers are with you. Julie##imported-begin##Julie
