

Jarred Dean Anthony Erikson

November 17, 1993 - November 9, 2017

Jarred Dean Anthony Erikson, “Jarre Bear, Jarvice, J-RAD, and Jerry Dale,” age 23, of Colorado Springs, CO, passed away November 9, 2017 in Colorado Springs, CO.

Jarred was born November 17, 1993 in Chicago Heights.

Jarred was known as the grill master; he loved sushi and all food in general. He was an amazing football player. Over the years, Jarred played for the Manteno Wildcats Youth Football Team and then for the Manteno High School Panthers. He was #5.

He enjoyed going to the gym, going on adventures, exploring, and fishing. He truly, without any doubt, loved his family with all of his heart. He was always concerned with his sister, Xiaya’s well being. Jarred and Xiaya shared a very special bond along with their cousins, Kaylee and little Eddie.

He will be missed by his “brother”, Ryan Jackson and many other very special friends. Jarred was always laughing and enjoyed acting goofy. He was, overall, a very happy person who freely offered advice and encouragement to others. Jarred would make light out of a tough situation by cracking a joke. He had a smile that lit up a room and a laugh that was unique just to him. We want to thank everyone who was there for Jarred. To all of his family and friends, including Ryan Gadd, we will be forever grateful.

He was a member of Risen Savior Lutheran Church in Manteno.

Surviving are his parents, Kimberly Erikson of Cross Roads, TX and Lloyd Morris of Chicago; one sister, Xiaya; two brothers, Kyren and Javien;

grandmother, Babi; grandmother, Linda Morris; great-grandmother, Doris Morris; two aunts, Kelly & Eddie Mercer and Khadijah Turner; one uncle, Steve & Katrina Erikson; and many cousins.

He is preceded in death by his grandfather, Gary Erikson; his great-grandparents; and a “brother from another mother” Aaron Jackson.

Visitation will be held 3:00 -8:00 p.m. Thursday, November 16, 2017 at Clancy-Gernon Funeral Home in Bourbonnais.

“ I have memories of Jarred from small enough to ride piggy-back on my shoulders as i would run around the house... or play station challenge GTA or NBA... or playing hoops and having to give my best double move just to get one past him... or when I watched him turn in the post take one step and dunk effortless...
What I remember most is that smile...
