“ Jason, I don't know where to start? We met through a friend last summer and became best friends and rode everyday after that first day. I remember those days riding like it was yesterday and I wish it could be still that way.... I think I sh*t myself when I got that call April 6th.... You were about the only one I rode with besides maybe like 2 other people. Now that your gone man, I don't know what to do.... I know the bike is for sale and it's staying that way. Anyhow, basically here to tell you, you will always be here with me no matter man and I will always remember you. To all the family members, I am very sorry on what has happen. If anything is ever needed, please feel free to email me and I will respond Asap.

“ Jason was the morning group leader for our son Morgan on Unit 502 C at Shapiro. We first met Jason just a couple of days after he started work there and watched him grow into a very accomplished member of the staff. We greatly appreciate the kind and understanding care he gave Morgan. Whenever we visited the unit Jason was always helpful and courteous. We will miss his welcoming smile.

“ We had a lot of good memories growing up together. All of our Christmas and birthday parties. My best memories though are from when I used to babysit you and your brothers. I'm so grateful for those memories. I'll never forget "ketchup sandwiches." I'm so glad that I was able to see you on Monday and catch up.
