“ *My thoughts and prayers are with all the Vogelzang family. When I moved to Beecher in 1972, Jeanette got me involved in band chicken dinners, working in the school lunch room and even cake decorating.*

Jeanette was a wonderful, beautiful lady! I am happy that she touched my life.

Love,

“ *My fondest memories of our lunch lady "Mrs. Vogelzang" were her delicious BBQ's for 25 cents. She invented the original "hot lunch". She was always so nice to us. We ran into her again when my husband built her a deck for her new home in Pheasant Lakes Estates. Such a sweet lady!*

“ *I always LOVED my little visits with sweet Jeannetta at convention time!!! She was definitely a pillar in the kingdom and LOVED the Truth. We are so sorry for your loss, and the human ties are hard to break, but Heaven has surely gained a gem. And she is finally enjoying what she lived for! What a sweet release!! Love and hugs to all of you!*

“ Jeanette and Ted lived in the mobile home park that I owned and managed. Both were wonderful people to know. Jeanette will always be remembered fondly. She found out somehow that we shared birth dates although mine was a few years behind hers. I remember her making a lemon meringue pie for me because it is my favorite and bringing it to me on "our" birthday. It rivaled my mom's. Rest in peace Jeanette, you were a wonderful person to know. “ We live about 35 miles West of Madison, WI, and only remember meeting your parents many years ago, but appreciate knowing Bob & Dorothy and Harold & Lynn. We do want to send our sympathy to all of the family. It's never easy to lose a mother whatever the circumstances.

With our love and care, Rodney & Carol Gasser

“ I will miss my dear Sister who had a great hand in raising me as a child, the 11th of 12 siblings! With that size family, our Mother was kept busy cooking and cleaning so Jeanetta pitched in, helping with the younger kids. Before she left home for the ministry, probably about 18 years old, she made a little blanket for me which I still have and treasure. I may bring it to her service to show her children. I guess I was about 2 or 3 years old when she left home and I missed her terribly. I am told that after she left, I kept saying "I WANT NETT" for several months. I was several years older when she returned home, and yes, she continued to keep my brother Hal and I under her thumb, not always to our liking! Yes Jeanetta, we miss you, May God Bless You. Brother Don
