“ Family of Jeannine Petersen, I want to offer my condolences to Jeannine's family. I truly enjoyed taking care of her as a patient. We shared many road trips in the camper. She really liked Dr Santiago and she would always hug and kiss him. It was funny to see him blush. Our thoughts are with you during this difficult time. Mary RN Dr Santiago's clinic. “ Years ago, I went out to Jeannine's home and she tried to teach me to polka dance...it was fun and funny...I never did learn the dance, but had a great time with her. She was a great friend to my grandpa and I pray for peace for those whom her loss will touch. She is with our Lord now...may we find comfort in that.
