“ I just found out about Jeff, I'm very sorry for your loss. Jeff and I go back over 50 years. His Dad and my Dad were friends for a long time. As with others here, Jeff was a classmate from Westview High School. We had classes together, and shared alot of conversations about our futures after school. And he wanted to be in the Navy, because I believe his Dad was. Jeff was always a friend, and when you met him after a long time it was like yesterday we last talked. After many struggles with health, you are now at peace...Thank you Jeff for being a part of everyone's life, a part of you will live on within your family and friends until we meet again. I know you will be safe in your voyage. Though few say it....we all loved you.
