“ Hi everyone, our thoughts and prayers are with you ! Though we lived far from Auntie most of the time, her impact on our lives was huge and I am sad to know that she is gone from us. We would often share letters, cards and an occasional phone call. How I would look forward to that yellow lined paper with red or green ink, never short on words and always reassuring of her prayers for us. Full of life and vinegar, as my Mom would say, (well almost). I have a picture from a visit to Minnesota of Mom (Rose) and Auntie out in Dad's (Mick) big garden picking green beans and of course the colander is on Auntie's head like a helmet! So silly and fun! John always talked about calling her soon to catch up on all of the memories.....

Love to you all,

Marsha and family, Jay, Natalia and Maggie

“ My favorite memory of Auntie Jennie is her voice! I loved the sound of her voice. She would light up a room with her laugh and humor. I remember arriving at the house on Blatt Blvd. in Bradley that she shared with Uncle Arte...when our family would come visit for Christmas she would meet us at the door with hugs and kisses (I loved that!).and the cupboards were always stocked with fun things for little kids to eat...I especially remember Whip N Chill pudding! We never had that at home :)
Another memory is her aluminum Christmas tree with the revolving tri-colored light..that was the first one I had ever seen.
When Uncle Arte passed away who would have figured she would have found another gem to share her love...but there came Uncle Al...what a pair they made!
I'm saddened at the thought that Auntie Jennie has left this earth,but feel so blessed to have been one of her nieces.
With love,
Susan (Bilyard) Cairns
