“ I remember the first time I met Jennifer. It was at our first Habitat meeting. She brought her daughter & a friend and I was impressed with how she was instilling the sense of volunteering in her daughter. She also volunteered to be our steering committee secretary. She was a good role model of volunteerism##imported-begin##Gary Koch##imported-end##

Jenny was a good friend, even though we'd lost touch in the past few years, her spirit, warmth and kindness will remain with me always. Your family is in my heart and prayers. “ My son Nick and Duncan were best friends in their earlier years at Limestone School, but then they both left Limestone for other schools and haven't seen each other in a long while. I worked with Jennifer for two years in PTA at Limestone. She was our president, and when her term was up, we were very disappointed that the by-laws disallowed her from continuing as president. She was absolutely wonderful to work with: friendly, energetic, organized. My thoughts and prayers are with Jennifer's entire family. She was well-liked and greatly admired and truly will be missed.##imported-begin##Deborah Renville##imported-end##

“ I am so sorry to hear about Mrs. Brown-Eaves. ĩ½She was always very helpful with the Limestone PTA and so good at being involved in her childrens' lives. ĩ½I spoke with her more recently as Cassidy prepared for high school and was reminded once again what a great mother she was. ĩ½The family is in my prayers.##imported-begin##Gina LaMore##imported-end##
