“ My heart felt sympathies to you, Patsy and Kenny. You know that I know. It is so unnatural to bury your children. Although there is something so sacred about honoring their choices. We do not know the processes for other people, but God does. Big hug. I am so very sorry.

“ I met Jerry in the early 80's. We became good friends, we lost contact when I moved east . He was a good man and would help you out, all you had to do was ask. I am saddened by his passing . Rest easy my friend
