“ My brothers and I appreciate all of your sympathy and blessings. We will also miss our father very much too. He was a great man and a great father. It has been tough the last few days but we're going to push though just like he would want us to. Thank you all so much. God bless you all.

“ My husband and I are so sorry to hear of Jerry's passing!!! We are his next door neighbors. Jerry was the friendliest neighbor we have ever had!!! He and my husband would stand and visit at our fence so often. And when there was a knock on the front door in the summer we always knew it was Jerry bringing us fresh vegetables from his garden. He was so kind and generous and we will truly miss him!!! Our deepest sympathies to the entire family. You are in our prayers. Ron and Carlene Ashburn

“ *I remember when I was little my mom and I used to come to his house every Friday to watch a movie with him and my brothers and eat pizza. I have so many memories with him, and I'm going to miss him so much. He was the only father figure I've had in my life, and this is going to be so hard, but we'll all get through it together. I love my brothers, and I hope they'll be okay.<3*

*John and I are just so upset and will miss him dearly. John just spoke to him a couple days ago and said that they had a nice long talk, laughed and planned on us meeting up soon for dinner. I have known Jerry for 16 years in June, he always brought a smile to my face, had the strongest hand shake ever, and a heart of gold. R.I.P. dear friend
