“ We were saddened to hear about Jerry. I sure miss those days at Theresa's. We are i½currently taking care of my grandfather and unable to attend the services, but we wanted you to know that we are thinking of you, and you are in our thoughts and prayers. May GOD help guide you through this very difficult time.

“ my fondest memories of Jerry include a motorcycle ride and a very fast boat... i½riding the silver bullet in a cold cold lake is in there too! Although my time knowing him was limited, Jerry was special. i½He meant a great deal to my mom, and for this, he meant a great deal to me. i½He will surely be missed. i½From Montana, know I am sending you my warmest thoughts and prayers. i½I do believe, there is gambling in Heaven! i½Dana Boylan###imported-begin###dana boylan###imported-end###

“ Jerry's light shone on everyone

he knew. i½It was always warm with his good humor and his big, happy smile. i½He suffered a long time but his balance

on life let him focus on those he loved.

He was my third brother and I grieve his

light removed from our sight and touch.###imported-begin###diane giroux###imported-end###
