“ just wanted to say how much i will miss jessica and to let you all know that i will keep her in my prayers. it was always nice to see her around the station and see her smile. she always had a smile and that was even before she had her teeth worked on. i will miss the ways she was always helping everyone on just about anything that was going on. if any of you need to talk, just stop by the station and any or all of us will be glad to sit down and have a chat..
