“ Bert I am offering my condolences to you and your family. I met your wife after buying two of my cars from you, and you told me about the cleaner she owned and operated. She was such a pleasant and honest person. If you bought an article into her cleaner if she couldn't do it, she would be honest enough to tell you right up front, cleaning the article would ruin it. May you Rest safely in the Arms of the Lord...

“ I was deeply saddened to hear of the loss of Jodi. She was and always be a light of joy in this world and will be truly missed. My visits 'home' to Illinois will always have something missing now with her loss but I know she would want her family and friends to think of her smile and laughter and all the love and happiness this world has when going through hard times.

So much love and prayers going to her family whom I look forward to getting in touch with.
