“ Dear Dr. Hegg and Hegg Family,

Please accept our deepest sympathy and sorrow in the passing of Joan.

Although I know you miss her dearly, I hope you find comfort knowing she's in a better place.

I have nothing but fond memories of Joan. i¿½She always made me welcome in her home and was a pleasure to be around growing up.

The memories I have of her at neighborhood gatherings, especially the big Heil functions, will always bring a smile to my face.

It has been a tough few years for the old Heil gang but I know heaven has become a much brighter and fun place to be. i¿½I have no doubt she and my Mom are both giving my Dad a hard time.

Her loving family is a lasting testament to her character.

You are in our thoughts and prayers.
