“ I have many memories of Mrs. A. She will truly be missed. It's an end of an era but the couples club is back together again in heaven. One of my memories was when I was young I would sit upstairs waiting for the couples club to leave and I would go down and eat the leftovers. Mom always said Mrs.A was the party girl of the group and it was enjoyable knowing her. Jim and Mary you are in our thoughts and prayers. Bob and Natalie Limbach.
