“ *To Jodi's Family and Friends, I meet Jodi through my niece Dawn Bondra she was such a fun person to be around. My heart goes out to her children I hope they grow up to know that they had a very special mom who loved them very much. She had a smile that lit up a room. Going to miss that smile now at the Bondra's get togethers. You touched so many lives and those memories will live on in all of our hearts.*
