“ Hello Myra,
I was very sorry to learn of the passing of John. I worked with John for multiple years at Ascension St. Vincent. We worked together at the Anderson location and at the central organizational office in Indianapolis. I enjoyed John’s quick wit and gentle banter as we went back and forth concerning IU and Purdue (I’m a Purdue grad) I valued John’s perspective and we regular talked at the “office cooler.” John recently shared some insights on your trip to Mount Rushmore earlier this year and helped guide my travels as we drove out that way. I enjoyed hearing about your family and I know he loved the interactions with the grandchildren. I pray that God will ease your hurt as time passes.

“ John Mark was an important part of my childhood and adolescence. He was a close friend to me and others growing up in Indiana. I recall a trip that he, Danny Terrell and I took to Vandallia, IL when I was sixteen. We sang church songs the whole way. He was dear to me and his death makes me so sad. I'm so sorry for his loss.
