“ Dear Boudreau Family:

*I first met John over 40 years ago at Govenors State University: I believe he was teaching a chemistry course there and was such a good instructor that I passed with flying colors. I attribute my success to John!*

*Not too long ago, I ran across John At CSL Behring and we had a good time recalling past "Good Times" sometimes, at the expense of others.*

*Throughout my 50 year career in chemistry, quite often, John's name would come in conversations with other colleagues. Some of the words used to describe him were, "Great Chemist", "Great Guy", "Smart Man".*

*May God Bless You John And Family; Till We Meet Again.*

*Words seem inadequate to to express the sadness we feel about John's passing. Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow. John was a kind man, and we so loved his sense of humor.*

*Sent with love and and friendship to you all,*
