“ My Dad

He was special in his own way. $\frac{1}{2}$ He
wanted to do what he wanted and lived life to the fullest. $\frac{1}{2}$ We
miss the good times with him. I miss dancing with him.

He was a very talented artist and I know he loved us in his own
way. $\frac{1}{2}$

Dad, Even though you were far, I always
knew you were there and now that you are not, my life is a bit
sadder.

I will always love you.
