“ Linda, I am so sorry for your loss, as I just found out about John's passing. Always got a Christmas card with john, you, and the dogs on it. Not this year, so I checked and saw the sad news. John and I worked together for many years at the Lottery and he was the most decent, upstanding guy I had the pleasure to know. Always had a smile and a funny story to tell. My condolences to you and your whole family in your loss. He will be missed.

“ I first met John Halvorson (Kermit) at Jack & Jean Caliendo's house in the early 60's. He was not a Shriner yet but was soon to be. Our personalities clicked right from the start. We got along famously and were fast friends for over 50 years. He will be sorely missed. My sincerest sympathies to Linda and the family. Rest in Pease old friend. So mote it be...
