“ My Dear Aunt Beverly, my prayers and sympathy are with you and your family at this time of loss.

As I gaze over Saugany Lake, my heart is full of years of lifelong memories. Of an uncle taller than life, with an Irish glint in his eyes, an arsenal of jokes, and that SMILE! Of a turkey that wouldn't cook on that Weber grill, a hot dog's doomed fate in the bon fire, and a cat named____(well you remember), endless bon fires where we all shared so much together!

I will always cherish those times and my never ending love and respect for you and Uncle Jack. It is comforting to know that Uncle Jack is up there with my mom and dad watching over all of us!

My dear friend Gary,

I am so sorry that you are going through this pain. I know how hard and life changing losing a parent can be. Your father is a kind and wonderful man, who touched many lives. The loving relationship between your parents, to their children, and unto others is a legacy for you to hold in your heart and share with your children. It doesn't get better than that! You'll be in my heart and prayers.

Love always and forever,

Teresa###imported-begin##Teresa (Johnson) Alford###imported-end##

“ I still have good memories of babysitting the Hindes children and delivering your mail on the North side of Blue Island and of Uncle Jack speaking at my Dad's funeral mass. I'm very sorry about Uncle Jack and that I'm so far away for the services. Please remember me to everybody.

Love
