

John Mullen

April 23, 1927 - May 19, 2014

On May 19, 2014, John Mullen crossed his final finish line in a bright shiny red car to be with our Lord in heaven. He enjoyed parties, picnics, and eating out in restaurants. He liked to sit outdoors and watch the traffic go by. He liked listening to music and watching programs and advertisements about cars on television. He loved model cars and car parts and liked looking at the cars in the parking lot. He especially liked buses and trucks and during the year enjoyed a visit to a fire station to see the fire trucks which he was excited about. Known for his love of cars and trucks, the Kankakee fire department came in the fire truck to visit him. He was preceded in death by his mother (2000) and his father (1986). His family will cherish the memories. Surviving are his siblings, Richard (Linda), Francine (Ronald), Sharon (Jim) whom visited frequently and brought big smiles to his face. He will be deeply missed by his special "family" and friends at Shapiro Center.

“*"Jackie" -my incredible brother-in-law. Memories of Sharons and my time with you are indelible in my mind. Our walks and talks, your knowing smile and wonderful laugh-songs sung together-cup cakes and milk shakes shared-trips in the country with the windows down at your direction. It was an honor to witness the bond between you and sister Sharon. We love you, bro.*

And when my time comes I know you'll be at the ready, keys in hand, tank filled and YOU"LL drive ME through those Pearly Gates.
