“ I love you Johnny and will miss you, although, I know you have gone to a better place. You were the only cousin I really knew and had a relationship with. You would have been so happy to see your family all together at Seth's the other day. I know how much you loved them all. One day we will all be united again, until then, bon voyage....you have left us all with many memories. Love, you cousin, Connie

“ John will be greatly missed by me. He was my flirt partner as well as a man that I could talk to about books.

In Heaven I am sure he is flirting to his hearts content. And maybe find some one to be with.

I'll miss you John.
