“ John was a hardworking man who came to work everyday, told us good morning and asked how we were. ï¿½Then he worked 8 hours straight. ï¿½He was a mechanical genius. ï¿½John's love of his kid's, animals, and chocolate were common knowledge.

John Kent was not just an employee, he was a part of our family and a part of both of our hearts. ï¿½He can never be replaced, and we will never forget him or stop missing him.

In loving memory,

From your other family,

Jeff and Karen Tedford
