John and I attended 4th, 5th and 6th grades together and he sat on my right side in the back of the room during 6th grade. He was always cheerful and polite, and I have nothing but good memories of him. One memory in particular is fried into my memory banks, a vivid memory of hitting the baseball toward him when he played shortstop on the second day of school during 4th grade. These are the moments we live for and what a privilege it was to have him as a classmate and friend.

“ *We only met Jon about a year ago when Connor and the Kayla moved in next door. From our first hand shake until the last time I shook his hand a few weeks ago I knew Jon was good man. Always a smile and glad to see us. May Our God comfort all of Jon's family and loved ones in the days to come.* ”

“ *I am so sorry to learn of Jon's passing and have fond memories of him during his middle grade years at St. Teresa School. He was a kind young man with a good sense of humor. Jon was also very bright, very creative, and very artistic. He was the kind of kid you loved to have in your class. My prayers go out to Jon's family and friends. His soul is now happy and at rest in God's Presence where we all hope to one day join him.*
