“ My heart goes out to Laura and Anne Marie, Johnathan's family and all the family. I was very saddened by this tragedy, so unexpected. I will always remember babysitting him as a child, he was such a precious one always, so agreeable and easy to talk to and like as a person. I will always have fond memories of him, just a really likeable person whom I wish I knew better. My condolences to all the family, Mary Therese Mary Therese Burns

“ Jonathan will be greatly missed by all that knew him. He was a son, brother, father, cousin, nephew, uncle, and friend. The world will never again be the same without him in it. Death may take away the person but it does not take away the spirit and the love that he possessed. He may have left this world but he has not left our hearts. RIP Jonathan. Jody Brooks

“ From knowing Jonathon the short time that I did I loved every minute of it. He was so funny...if you walked into a room he would just make you smile...he was always cracking jokes. But his greatest gift of all was how GREAT a father he was. I have never seen someone who cared about their kids as much as he did. He was a great father and friend. You all are in my prayers and I am thinking about you all and Jonathon everyday. I know that this is a very hard time...and that you will never forget but I promise you that each day that goes by things will get a little better everyday. Just think of him. When I do it makes me smile. God Bless you all.##imported-begin##NULL##imported-end##

“ JT, I speak for all of us when I say when we heard the awful news about what happened, we felt emptiness sorrow, and sadness in the pit of our stomachs. We asked how something like this could have happened to you. We reflected on the day you moved in and became our neighbor, meeting your kids and watching how you were such a great father. We didn't need to worry about the kids playing outside as long as you were around, cause we new JT always had an eye on them Even through your troubled times, we all looked forward to Tuesday's and listend for that ABC truck to come down the road cause we new J was going to pick up our garbage. We hope nothing but the best for Hannah and the boys as they grow up, and hope they never forget how lucky they were to have you as their father. You have a much greater job to do now, You will be watching over all of us. Were gonna miss you.
