“ *Dear Gina,*  
*Was so sorry to hear of Joe's passing. He always had a kind word or something funny to say which I always appreciated. Am glad he had a great wife and enjoyed the blessings of children and grandchildren and was able to farm his whole life. Little known to Joe, over the years in talking to people and sharing my background, the conversation often included him (and before that Uncle Ben). Something like this "...mostly factories and farms there, my mom grew up on a farm but only my cousin Joe farms now." Thought you'd like to know that. I'll continue to mention he was the last. My sincere condolences to Ray and the rest of Joe's siblings.*

*Sincerely,*

*Tim Boudreau*

“ Gina,  
My thoughts and prayers are with you at this very sad time. Joe was a great guy that always had a smile even from grade school. I would see you two at church and think such a happy couple. May your memories of better times shine through in time to come.  
Love ya,

“ Gina, Lindsay, and Adam... Our thoughts and prayers are with you. We are so saddened by Joe's passing. We have wonderful memories of Joe. As grandparents, what impressed us the most was Joe's love of his grandkids and their love of him. When Joe came in the room, the grandkids would light up. He was the gentle giant in their eyes. It was a joy to see. With much love, Ed and Stephanie
