“ In the warmth of the sun, on the open water we will remember you, with a wink and a grin and a hearty laugh we will think of you, as you have been always. A loving brother and uncle, always there to share a moment, to pass on some memories, to tease a bit, to laugh alot, to love for all our days. You will be missed greatly, there is no one to fill your shoes, out of sight does not mean out of mind, we will speak your name without effect, we are only seperated for an interval, we will always feel you nearby, just around the corner. All of our love to you and to those you have left behind. Bless you Nancy, we are thinking of you.###imported-begin###Robert & Kathleen Gagnon & Sons###imported-end###
