“ *I loved Mr. Pusateri. I loved going to Joanne's house and chatting and laughing with Mr. Pusateri. He had such a wonderful sense of humor. I remember when we were in high school, he had what I think was his first heart surgery. He was such a strong person, having gone through so many heart problems. We got to see he and Mrs. Pusateri through out the years at our Paul family functions when Jo would have them come, it was always such a pleasure to see them again. Our sympathies to all of you.*
