“ *Barb Boudreau Hahn, my condolences Chris, to you and your family. As a kid, and being at your house alot, I remember your mom always had something wonderfully Italian cooking on the stove, some great sauce or soup that filled the house with the greatest smell. She always offered me a bowl of whatever she had going. She was fun and I know we drove her crazy! She will be missed and warmly remembered. You and your family are in my thoughts and prayers.
