“ Joyce, You can't be gone already. You promised you would hang around for a while longer. You still owe me a 2 dollar bet from River Valley Metro. I will miss seeing your pretty face and hearing your wonderful laugh. We had some good times at Metro and Ryder Student. Rest in Peace with Jesus.##imported-begin##Lonnie Ferguson##imported-end##

“ I am sorry for your loss. Joyce was a really cool second mom to me. I have memories of going to the racetrack with her and, Kathy while we were growing up. I too lost my mother a few years back. I would like to say time will eventually heal. That is a promise. In these hard times we should honor her by embracing the good memories that we shared with her. Again I am truly sorry .

“ I've known Joyce for too many years and she always treated me like part of her family. She's the one that got me to drive a school bus. I'm gonna miss hearing her say " Hey girlfriend" or "Hey girl". No matter what mood I was in, she was the one person that could get me to smile. I will miss her dearly. I'm so sorry for our loss. I wish I could have been there.###imported-begin##Nancy See###imported-end##

“ Wow this is a shocker. My name is Tracie and I had received a position at Dr. Schnibbens office but decided to take another. When I attended on the job training for Dr. Schnibben's office I spoke with Joyce Frequently. She talked often of her grand kids and always carried an uplifted spirit. She was also very friendly and outgoing. To hear of her lose is very shocking. I know what it's like to lose a loved one, and it is very hard. Know that she is in a better place and the good lord will take exceptional care of her. Love and God bless to her entire family.##imported-begin##Tracie##imported-end##

“ You have my deepest sympathy. I just saw Joyce a couple of weeks ago, in passing as usual. I couldn't believe it when I was told. I so wanted to come to give you my thoughts but, I still am not doing all this well. I am still fighting my own demons since Al and his Sis. I will miss her friendly smiling face and her chatter. I always seemed to run into her when I needed a boost. We have had some on again off again good times with one another over the last 15 years. I will miss seeing her out and about. If you need anything, call me. You all take care of yourselves. Keep her memories alive in your hearts.##imported-begin##Donna Cole##imported-end##
