“ I am so sorry for your loss,I was lucky to have spent many happy hours with Joyce.Doing hair is enlightening,she spent many appointments bragging on each and every member of her family.When she left i was sure i had her "favorites" figured out,only the next appointment to hear her brag on the other ones more.I have decided that she dearly loved each and everyone in her family,,and that each day had a different "favorite".She loved you all so much,,I know,she told me, over the course of 25+ years..I will miss you my friend.##imported-begin##Tracey i ½Covey Arseneau##imported-end##
