“Joyce was a relative of mine... only just found out today that she passed and our family not notified 7 months later. Joyce was a sweet and loving soul that endured loss and heartbreak with the strength of a Lion. My Mother spoke of her often with loving thoughts and kindness... May she now rest in peace

“ Deepest condolences, prayers, and sympathy on the loss of Joyce to all her family. Joyce was an incredible woman who gave her time and knowledge of sports to anyone she met. I know, personally as she was my coach in softball at St. Pat's and taught me so much! She mentored me in tennis as a dear friend to become the high school tennis player I became at Mac. Without Joyce's expertise and friendship I would never have achieved any of that. Being best friends with Kathleen her daughter, spent many fun days at their house with a lifetime of wonderful memories. Joyce's heart was huge to helping others. She will be deeply missed and never forgotten . I know in my heart what an incredible reunion in heaven Joyce had with her family and especially Kathleen her daughter and being with God. God speed Joyce, when we meet again maybe Kathleen, Karen, you and I can have a heavenly doubles tennis match . Rest in peace Joyce. Forever missed and loved.💔❤️🙏
