“ My deepest sympathies for your family. I took painting classes for many years with Joyce. I always looked forward to seeing her each week to hear her silly little jokes she would tell and other stories we would share. She was so proud of all her family and always had a smile for all of us.

“Joyce always had a good attitude in art class, even when I made her do something she didn't especially like. She wanted to have fun painting and was really surprised at the results of some lessons she did. I loved having her in my watercolor classes and we all will truly miss "Mother Nature"

Our deepest sympathy to you Bernie and all of your family.
