“ To the family of Joyce Hutson, we would like to offer our deepest  
condolences.  
As family members from far off we didn't get to be around or get to  
know (Stinker) as much as we would have liked to but loved her  
none the less.  
Personally, I've appreciated soo much the phone calls I've had with  
her over the years. I hold them close to my heart. She's such a  
loving person. I consider her an inspiration. Blessings

daughter Samantha (Derek) Ames.

“ I love you, Stinker Patton. I miss spending summers at your house, watching scary movies with Jill, then making Jeremiah get in bed with us and protecting ourselves with an array of weapons (compliments of Jeff). I miss you now and always.

“ She will forever be the sweet fourteen year old I met when her beloved mother welcomed me into the family so long ago. She was born with a giving heart that knew no limitation. She loved her family and her friends with a fierce devotion. And she gave her all to everyone of us who were graced to have known her. She sustained us with that love and with her sense of humor through suffering few, if any, of us could endure. We loved her then, we love her now. May her peace comfort us all.

*Eddie, Jill, Ryan and Family. We are so sorry for your loss. Joyce and Eddie were among the first people we met at the campgrounds and we shared many laughs with them. Joyce was most kind and loving and called everyone "Honey". What a sweet gal! I know it was so hard to see her struggle with a vicious disease. May she run into the loving arms of Jesus and know that she is pain-free now and shining her smile down upon you all. Blessing of comfort and peace for you all.*
