“ I am so thankful to have spent time with you in recent months. Your mother/grandmother is a precious lady. She extends the gift of friendship and acceptance that her Christian faith championed. I share in your grief and begin to understand how much you have lost, and yet how much you have. God bless you in these days.

“ Mr and Mrs Baldrige were the best neighbors you could ever have. Loved them as friends and felt like close family. Juanita was like Grandma to our children. Her move to Wisconsin though best for her left a gap in our lives. Such a teacher and a blessed woman. We have had a better life thanks to her loving influence. Ginger and Mike Williams
