I remember whan Judy wanted to adopt a dog named Jake. The shelter wouldn't let her because she had kids so Judy called me and asked me to go get him for her. He turned out to be a wonderful dog and great with the kids. I will always remember Judy' smile. She was an extremely generous and wonderful woman. I wish to send my condolences to her family. She will be missed by many. R.I.P JUDY

In addition to loving animals Judy also wanted to expand her non-profit organization to raise awareness for under priveledged children. She practically raised her younger brother and sister while her mother worked and always made sure they were safe. She always put others first and was an extremely generous individual. I never heard Judy speak badly of anyone. She was truly a remarkable woman.

“ *Your Mother, Your Angel* by Natasha Jordan

*You look back on memories you forgot you had,
And at times you'll smile even though it hurts so bad.*

*Your mother is a special woman and no one can take her place,
You'll find a piece of mind when you remember he smiling face.*

*Your mother is an angel now she flies high above the rest,
and in your hearts always and forever she will be the best.*

*She has earned her wings and it's time for her to fly,
I know it hurts no one is ever ready to say good-bye.*

*She knows you do not understand and that you cry at night,
But as you finally drift of to sleep let her memory hold you tight.*

*She will be your guardian angel through the rest of your life,
Helping lead you on the path between what' wrong and right.*

*your mother loves you so very much and her love will always remain
true,
Please don't ever think for a second that your mother will forget you.*

*A mothers love is like no other in the whole world,
d she has the most wonderful memories of a little boy and girl.*

*She has taken them with her as she's flown away,
Up to Heaven free of pain which is her new home to stay.*

*So although you can not see her and you wish she could be there,
Your mother can always hear you and your mother will always care.*

*A mother does not forget the two greatest loves of her life,
And she loved nothing more than being your mommy, and your
daddy's wife.*

*She is so proud of her family and that's in her heart to stay,
Even though she's an angel and has had to fly away.*

*So as you cry your tears remember your mother's love,
Being sent to you from her, from the beautiful Heaven above.*

*She will be there through your good times, she will be there through
your bad,
She'll be there when you are happy, she'll be there when you're sad.*

*Your mother has become an angel now, it is her time to fly,
And you will never know how bad it hurt me to watch you have to
say good-bye.*
