“ My twin sister Connie and I went to school with Judy at Clifton.

When I started working at St. Mary's in 1981, Judy was already working there. ĩ¿½

I hadn't seen Judy in years and when I saw her name in the obituaries, it made me very sad. I remember that she had a wonderful smile and when she smiled, her eyes lit up. She was also a funny girl and could make you laugh.

The picture you posted of Judy is a great picture of her and she looks happy.

My twin sister lives in southern Illinois, but I of course called her with the sad news of Judys death and ĩ¿½she also sends her heartfelt condolences to all of Judys family, just as I do. Prayers to all of you, Bonnie Raines##imported-begin##Bonnie Raines (Roach)##imported-end##
