“ I did not know Judy had passed. She was always so kind to me in school and I remember how talented she was with writing poetry and drawing. I ran into her in my adult years in the early 80's in Kankakee. (I believe we were at the old Walgreens where there was a food area). Anyway...it was great catching up with her then. I know I am late on my condolences...I apologize and am truly heart broken for the loss of such a beautiful soul. Peace be with you all.
