“ My dear Aunt Judy - With all fond memories from when I was a little girl. ½You were a second Mom, and best of all playmate. ½We jumped rope, roller skated and sledded together. ½You took me for my very first Roller Coaster Ride at Riverview Park - your direction to me was "you gotta scream all the way down!!!" . . . and so we did. ½And so when I grew up and took my children on their first roller coaster ride, ½I repeated that command remembering how it took the fear away from the first scary ride. ½My memories of Aunt Judy were nothing but joy, fun and happiness. ½And thus they shall remain. I love you Aunt Judy - please say Hi to Ma for me!!!

“ We will miss Aunt Judy so much. We were very honored to assist in her care over the past few years. I have very fond memories of Aunt Judy from the past when she used to care for us with Uncle Lee at times. I remember having my first beer with Aunt Judy. She had such a great sense of humor and never grew old in spirit. Vivian had such a great playmate in Aunt Judy. Aunt Judy taught her how to see through age and enjoy people for who they are. We love Aunt Judy so much and will miss having her in our lives, but are so much richer because she was in ours.##imported-begin##Lynn and Vivian Warren##imported-end##

“ I miss Aunt Judy, I miss her a lot. I know she is in heaven with all her beloved family. I miss her smiling face, gently touch and sharp humor. I remember on some sundays I would drive my Ma and pick up Aunt Judy and Aunt Eve and take them to church, I felt very special on those days, I was honored. I have the family picture on my wall above my dinning table and look at my family every day, most of the people in that picture have passed, and now Aunt Judy has joined them, God Bless them all and all that they left behind. ##imported-begin##Guy S.
